Bayswater

You will then be presented with your child's enrolment and any previous enrolments

Each child enrolled in the swim program has a separate profile that is linked to the registered adult account.

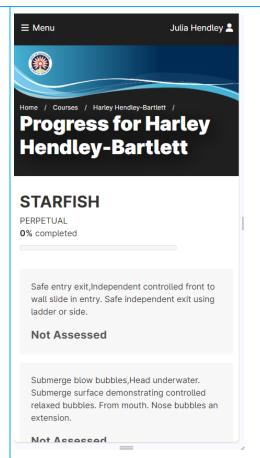

Customers with multiple children enrolled will see a separate tile for each child enrolled in the program.

Scroll down to see additional children

Select the child you wish to review.

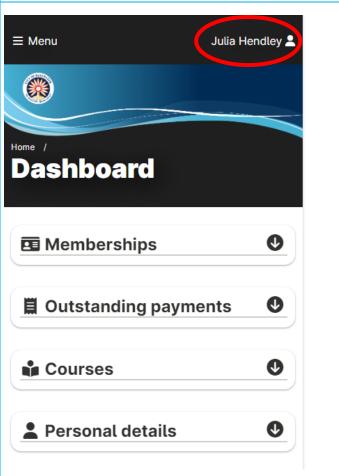

Select your child's current class/stage that you wish to see.

Scroll down to see the progress of your child's swimming.

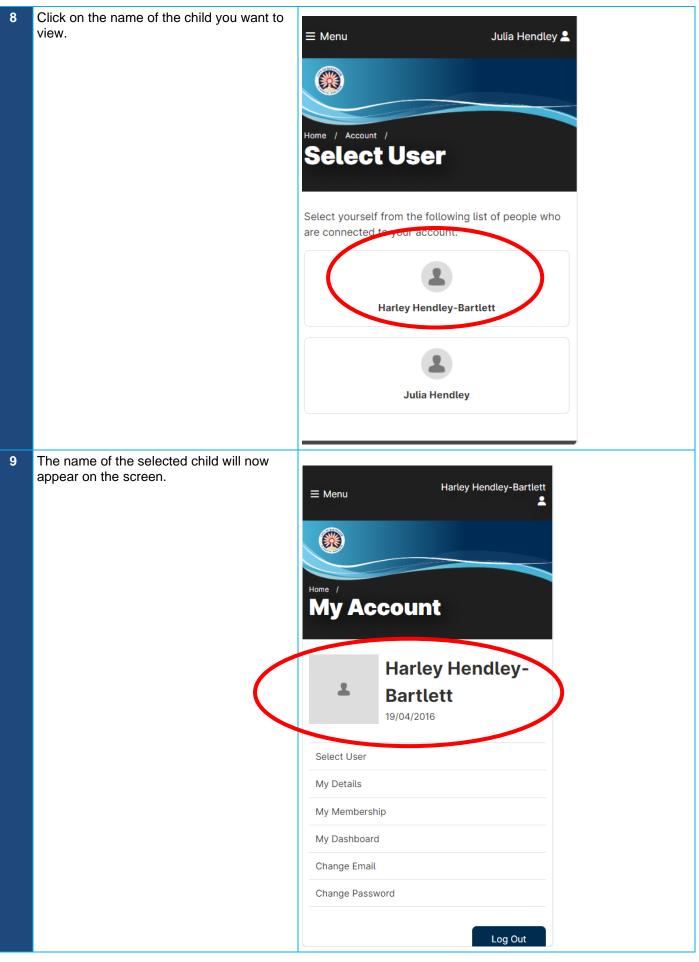

Customers need to switch profiles to see the progress of another child within the same account.

To do this, select the name shown at the top RHS of screen.
